

Technical Datasheet

takeMS MEM-Drive Mini USB 2.0 "High speed"

Beschreibung / Description

operating systems: Windows2000, XP, Mac OS as of 8.6, Linux
as of Kernel 2.4.10 needs no drivers

Windows ME, Linux Redhat, SuSe 7.1 needs driver

Data transfer rates up to 480Mbit/sec.

Erase Cycles: 1.000.000 times

Data retention time min. 10 years

Read: 12 MB/s Write: 8 MB/s

shock resistance max. 1000G

Weight: 14g

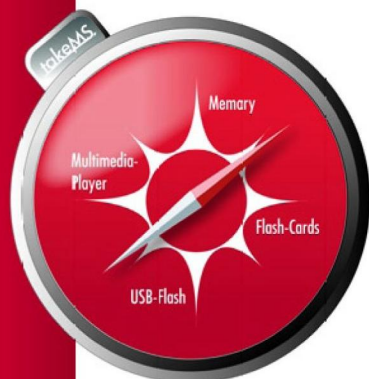

Dimension: 59mm/17mm/9mm (l x w x h)

USB 2.0 (compatible to USB 1.1)

no external power is required

Power consumption: Write: 39,1 – 39,4 mA, Read: 35,0 – 36,1 mA

bootable capability

Technical Datasheet

Special Features:

- » Portable Microsoft Outlook and Outlook Sync for Outlook 2000, 2002, 2003 and OLE
- » Favorites synchronization (Internet Explorer & Firefox)
- » No Trace Browsing with Internet Explorer & Firefox
- » Desktop, Folder to Folder and My Documents synchronization
- » Data Compression
- » 128 bit AES Data Encryption
- » USB Drive Lost & Found
- » USB Drive information
- » Multilingual user interface (14 languages)

Order-No.: MSxxxPD-PD5BH
